Campus Facilities

William Paterson University is situated on more than 370 rolling acres and provides a unique environment for living and learning. The main campus is at the junction of Wayne township and the boroughs of Haledon and North Haledon. The other University sites, all within close proximity to the main campus, are 1600 Valley Road, the Power Art Center, and the Allan and Michelle Gorab Alumni House. The major buildings that house and support the programs offered by the University's five colleges include the following:

Admissions Hall, located on Hamburg Turnpike adjacent to Hobart Hall, houses the Office of Admissions.

Allan and Michele Gorab Alumni House, located on Oldham Pond at Harmon Place, houses the Alumni Relations Office and the John Rosengren Laboratories. The Alumni Office hosts meetings and events for graduates, while the laboratories serve as a research station for the Department of Biology.

The Atrium, conveniently reached via entries 3 and 4 on Pompton Road, contains the office of the Dean of the College of Humanities and Social Sciences and the following departments: African, African American, and Caribbean Studies; English; History; Languages and Cultures; Philosophy; and a number of computer classrooms. The first floor houses offices of Instruction and Research Technology, public access computer labs, writing center, language labs, and a multimedia auditorium. For more information about computer facilities, see **Instruction and Research Technology** further along.

The state-of-the-art **Ballroom** is part of the new **University Commons** complex and connects Wayne Hall to the John Victor Machuga Student Center and overlooks the Quad. The main Ballroom accommodates large-scale events and has four break-out rooms on its ground level for use by groups from on- and off-campus that are participating in conferences and other activities.

Ben Shahn Center for the Visual Arts features an extensive art gallery; a central, two-story, glass-walled and domed courtyard; several smaller art galleries; studios; a number of classrooms; and a filmmaking laboratory. The Center for Computer Art and Animation houses an advanced IRIS computer lab. The Center was named for Ben Shahn (1898-1969), a well-known New Jersey painter, muralist, and graphic artist.

The Bookstore is located on the lower level of the Machuga Student Center and is open when the University is in session. Regular hours are Monday through Friday, 8:30 a.m. to 10:00 p.m.; and Saturday, 10:00 a.m. to 1:00 p.m. The Convenience Store hours are Monday through Thursday, 8:30 a.m. to 10:00 p.m.

Located on the hillside on College Road, High Mountain East and West are part of a dynamic "learning village" that brings students together, builds communities, and enhances learning outside of the classroom. Portions of the residence halls are dedicated to learning communities centered around students' shared interests and themes, such as health and wellness, languages and cultures, or participation in the University's honors program. High Mountain East houses a classroom and seminar room to be used for academic and student activities programming. In addition, the facility features a patio and small amphitheatre that can be used for lectures and other events.

Hillside Hall, set amidst tall hardwoods, is an air-conditioned and furnished facility that provides a residential lifestyle for 254 students. Hillside Hall is located on College Road overlooking the Wightman athletic complex and adjacent to the Towers residential facility.

Hobart Manor is one of the two original structures on campus (the other is the Coach House). A national and historic site, it was once the home of the family of Garret Hobart, the twenty-fourth vice president of the United States. The Manor houses the offices of the President and Institutional Advancement. Hobart Manor is conveniently reached via entry gate 2 on Pompton Road.

The complex offers students, all under one roof, seamless access to student development services and activities; the bookstore; meeting rooms; an art gallery; dining areas that include the food court, restaurant, and the Center Cafe; outdoor terraces; a coffee house; lounges; and recreational areas, such as the game room. The Machuga Student Center houses offices for campus activities and hospitality and dining services, and more than fifty student clubs and organizations. Additional offices that are located in the Machuga Student Center include the vice president for student development, campus life, the Student Government Association, Student Activities Programming Board, *The Beacon* and *Pioneer Times* newspapers, the *Pioneer* yearbook, the Women's Center, career development and advisement, the ID Center, and disability services. An automatic cash machine is also available.

Overlook North and **South** are four-winged residence halls that accommodate 1,033 students. Complete with modern furnishings, each room houses two students. Two rooms, connected by a bathroom, compose a suite.

The new **University Commons** complex is the center of the campus and includes the John Victor Machuga Student Center, Wayne Hall, and a new Conference Center that features a state-of-the-art Ballroom. The University Commons features an open design that uses glass facades to connect the buildings with the vitality of the central campus as it unites the upper and lower campus. A new glass-enclosed bridge links the Machuga Student Center to the new Conference Center, which will be used for large-scale events including conferences, campus-wide meetings, celebrations, social events, and other major activities.
