

New Member Education Program 2018

The Purpose of New Member Education:

The purpose of the new member education program is to develop new members and introduce them to the William Paterson University Greek community. Each workshop is designed to teach the fundamentals of being an effective member of your fraternity or sorority, so that the chapter might flourish and benefit the WP community. The program will cover several areas and topics such as: hazing prevention, bystander intervention, academic excellence, campus involvement & leadership, philanthropy, and civic engagement.

The Objectives of the New Member Education Program are:

- To instill the values of teamwork, academic achievement, civic engagement, responsibility and leadership.
- To educate new members about the Greek Pillars of Arete standards of excellence.
- To ensure that new members understand the University and CASL standards and policies as it relates to Greek Life.
- To educate members about the broader Greek community (different organizations & councils) at WP.
- To encourage individual leadership development and personal growth.
- To foster a positive, engaging and supportive relationship between the Office of Campus Activities, Service & Leadership (CASL) and new members.
