The Reading Clinic at WP

The reading clinic offers comprehensive tutoring and reading intervention services for local K-12 students. Tutors are certified teachers/reading specialists who are alumni of William Paterson's MEd in Literacy program, or candidates in the reading specialist certificate program. Tutors work in small groups with 2 students per session.

2025-2026 Program

The tutoring program consists of **18 sessions from October 2025 to March 2026**, meeting once a week on Tuesday evenings. Two 75-minute time slots are available. The fee for the program is \$160 (for all 18 sessions, per child). That's under \$10 per session!

Due to high demand, students are accepted for tutoring through a lottery system. **Students will need to be able to commit to attending all 18 sessions.**

NEW!

Choose between in-person sessions at our clinic at WP or remote sessions from home!
