

Academic Advisement

At William Paterson University, advising is a shared responsibility between professional advisors (within the Center and Colleges), faculty advisors and students. Every student has an assigned advisor and are expected to take responsibility for their education and consider the advice given and ask questions.

- Know the requirements for you major, including prerequisites for advanced courses
- Know what you need to take or would like to take in the way of electives
- Know your work schedule or other obligations that you need to consider in order to choose class sections (day and hours)
- Know your projected date of graduation

We look forward to working with you as you pursue your studies and achieve your degree.

Who do I contact for Advisement?

- **All Undeclared students:** Contact the Academic Advisement Center/Office of Transfer Student Experience at (973) 720-2653 or email: vasqueza@wpunj.edu
- **Student who transferred in 30 or less credits and have a declared major:** Contact a Professional Advisor within the College of your major. The listing of Professional Advisors is listed at the bottom of this sheet highlighted in orange.
- **Students who transferred in 31 or more credits and have a declared major:** Contact the Department Chairperson of your academic major. Please note, that the Department Chairperson will help you, prior to the start of school in September. The listing of chairs is at the bottom of this sheet. If you are unsuccessful in getting in touch with the Chairperson of your major please reach out to the Professional Advisor (listed in orange at the bottom of this sheet) within the college of your major, they can also assist you with academic advisement. Additionally, academic advisors are available within the Transfer Student Experience. They can be reached at (973)720-2653 or email: vasqueza@wpunj.edu.

**To determine how many credits you have transferred to WP please refer to your degree evaluation.*

** Please understand that you must request a final transcript from your previous institution so that your degree audit can be accurate and so you do not register for any courses that you have previously taken.*

** Students receiving an AS or AA degree from a New Jersey community college must submit the contract at www.wpunj.edu/asaa for your degree audit to properly reflect the agreement.*
