Your application was selected for "Verification." Verification is a process governed by Federal and/or State regulations and is used to ensure that the information applicants report on the Free Application for Federal Student Aid (FAFSA) is accurate. In this process, WPU will compare information from your 2018-2019 FAFSA with this form, copies of 2016 U.S. Federal Income Tax Return or Tax Return Transcripts, and if applicable, W-2 forms and other financial documents. If there are differences between the information on the FAFSA and your financial documents, WPU will need to make corrections. *Aid cannot disburse until verification is complete and the deadline to submit ALL forms is 120 days after the last attendance date.*
