HEAR FROM YOUR PEERS! (Angie, Owen, Preston, Rory, Sarah, and Thays)

Each week, the Honors College Peer Leaders provide tips for ways to help you have a successful semester. Honors Peer Leaders are upper division students who serve as a support network for other Honors students. Although they work with many first-year Honors students, assisting them with the successful transition from high school to college, all students in Honors can benefit from their knowledge and experience.

Peer Leader Tip of the Week – Get to Know Your Syllabi!

Carefully reading over your syllabus for each class is a great way to start the semester off strong! It provides you with an overview of what to expect in each course and how to be successful. We recommend paying close attention to important dates such as when assignments are due, when exams will take place, or even when class is canceled for the week! Keep your syllabi close to you throughout the semester and you will always be prepared for what is to come!
